EXPERIENCE

Freelance Designer
Remote / March 2021 - Current
- Created and updated website for personal work
- Designed and developed illustrations and marketing assets to clients according to their specifications
- Collaborated with the "Off the Wall" art exhibition to have work displayed

""Playin" With Fire"" Short Film
Savannah, Georgia / June 2020 - June 2021
Writer, Producer and Visual Development Artist
- Ensured files were properly labeled and located in the correct Dropbox folders
- Recorded and distributed notes from crew meetings
- Designed posters that were posted at theaters in Savannah, Georgia and online
- Completed script and storyboard breakdowns to account for what props and backgrounds needed to be designed
- Provided color guides and Photoshop swatch libraries to background painters and clean up artists
- Worked as a 2D clean-up animator during the final stages of production

Savannah Film Festival
Savannah, Georgia / February 2020 - June 2020
Writer and Visual Development Artist For "Bawkwards"
- Worked with a team of animators to create an advertisement bumper to be played in between films at the Savannah Film Festival 2020 and SCAD Animation Showcase 2021
- Developed a story pitch, designed props and background assets later modeled in 3D
- Communicated with teammates to ensure that designs matched the style of the advertisement

Sherwin-Williams
New Philadelphia, Ohio / August 2021 - June 2023
Sales Associate
- Maintained detailed work orders, files, and formulas
- Answered customer questions with accurate and comprehensive information
